Finish	5' north of street light by 605 Market Street

Note: Due to the course length and density it is difficult to show the measured path and yield a readable map. However, the half marathon route has been measured utilizing the shortest possible route except on roadways where the use of cones has been indicated. For this portion of the course, the shortest route within the coned lane was measured.

USATF Certification #FL13067EBM
 Effective Sep. 26, 2013 to
 Dec. 31, 2023
